Warranty for Non-Inclusion of Hazardous Substances in Tece Edges

Dear Sir;

We hereby warrant and guarantee that all edges produced by our company, Tece, *do not and will not* contain any of the following substances in accordance with requirements:

- Cadmium and cadmium compounds;
- PBB (poly bromobiphenyl) category and PBDE (polybrominated biphenyl ethers) category;
- Chlorinated paraffin (chlorine flame retarding materials / plasticizers);
- Polychlorinated biphenyl (PCB) category;
- Polychlorinated naphthalene category;
- Organic tin compounds (Tributyltin category & triphenyltin category) ;
- Asbestos
- Azo compounds.

With this document, we take full responsibility by confirming one more time that our products contain no such substances.

If there any further question, we remain at your disposal.

Sincerely,

Abdullah Coskunuzer
